

# Something ENTIRELY NEW from Eternal Encouragement

**Tired? Busy? Overwhelmed?**

Some women go for caffeine, but we know what you need is a quadruple shot of encouragement, so we created The Encouraging Mom's Super Shots!

The Encouraging Mom is a new membership program that focuses on your special needs for encouragement, grace, and affirmation.

Our practical ideas center around **how to have a life-giving home, making your marriage marvelous, being the mother of your dreams, and most of all, looking more like Jesus every day.**

**Each membership includes:**

A monthly Super Shot - each month's Super Shot has a theme and contains four products in a variety of formats (ebooks, audio downloads and Chick Flicks).

**The bottom line is you receive 12 products every 3 months for only 24.97.**

Plus, one beauty of the program is that you pay once and don't have to remember to order your encouragement each month...the Shots will automatically be sent to you, so that's one less thing you have to think about!

Our first installment of The Encouraging Mom's Super Shots is on sale now! The three themes included in this quarter are:

April - Winning the Whining War

May - Be the Wife of a Happy Husband

June - Kids Making Money

Remember, each month's Super Shot comes with four products about that topic, so you get 12 products altogether.

Product value: \$120.00

TODAY'S PRICE: \$24.97

**So you pay only 1/5 of the actual value for the package!**

You will find our messages, ebooks, audios, and videos practical and inspirational, full of how-to's, real-life help, and fun anecdotes, as we share in the adventure of being a woman today. Plus, we'll keep them in **manageable doses...long enough to give you all the info you need, but short enough to realistically listen to or read them!**

### How does The Encouraging Mom Super Shots membership work?

You begin by purchasing a quarter (three-month) membership for \$24.97.

The membership timelines follow the seasons:

Spring: March, April and May

Summer: June, July and August

Fall: September, October and November

Winter: December, January and February

Then each month that quarter, you will receive a "Super Shot," which is a combination of 4 products centered around that month's theme.

The first three-month membership is on sale now and will be sent to you in April, May and June. The first 3 Super Shots themes will be:

April – The Whining Cure

May – Be the Wife of a Happy Husband

June – Kids Making Money

Remember, you get four products per month on that Super Shot's theme. For example, in April you will receive four products on the theme of Whining. So per quarter, that's a combined total of 12 products for one membership price of \$24.97!

**We guarantee that at least two products each month will be brand new and not available anywhere else,** and the four products will vary in format: some ebooks, some audio downloads and some Chick Flicks (videos).

We further guarantee that the combined value of each quarter's products will be at least \$120.00...but we're offering the membership to you for a fraction of that cost!

**Value each quarter: \$120.00**  
**TODAY'S PRICE: \$24.97 a quarter**

### How can we price it so low?

Sometimes things sound too good to be true, but that's not the case here. If you're wondering "how can they give away so much stuff?" the answer is simple. Combining products in to Super Shots saves us time and money from marketing 12 different items because in a manner of speaking we are making them available "in bulk." That allows us to lower the combined cost. In turn, your membership helps us with a steady income that supports the ministry. So that's how we're able to make it work so well!

### "I'm on a tight budget; is this worth my time any money?"

Each membership is \$24.97 for three months (12 items). That breaks down to about \$8 a month\*! Think of what you could spend \$8 on....you could choose one and a half Starbucks' drinks, one and half Happy Meals, or you could sign up for a membership to **The Encouraging Mom** and get your Super Shots - products that will richly bless you and your family for eternity.

### **On Dial Up?**

We know some of you are on dial-up and aren't certain a downloadable program would work for you. This is such a fantastic deal with brand new material, consider a few solutions: Where we live, the county library lets you print 75 pages per week for FREE. It would be easy enough to sign up for a free Gmail or Yahoo account, go to the library and access your account, then print the contents from The Encouraging Mom for free to take home with you! Or if you download it at home, copy it to your own flash drive or CD and take that to the library to print absolutely free. Check your local library or community center for similar programs!

\*All memberships are sold in quarter (three-month) increments for \$24.97. So the price breaks down to \$8.32 per month, but you will be billed for one quarter at one time. Prices are subject to change without notice. May not be combined with any other special offers, coupons or discounts. Quarters (three months) are non-refundable.
